Stelios Tiantsis
Junior Full-Stack Developer

Passionate Full-Stack Developer with a lifelong dream of pursuing a career in development. Bringing problem-solving skills and adaptability from previous career experiences, along with recent completion of an in-person coding bootcamp and a couple of projects, now eager to apply these skills to real-world development challenges, while maintaining a mindset focused on continuous self-growth.

EDUCATION

Junior Full-Stack Bootcamp
TechPro Academy

03/2024 - 07/2024   *Thessaloniki*

Brief summary :

- Gained a solid foundation in web development fundamentals through extensive in-person training covering both front-end and back-end technologies. Participated in a series of workshops, designed and delivered by senior developers, focusing on various technical topics.
- Front-End Technologies learned: HTML, CSS, Sass, Javascript. Back-End Technologies learned: Java, PostgreSQL.

Certificate of professional training in the specialty of "Network and Telecommunications technician"
Public Professional Training Institute of Evosmos Thessaloniki (Δ.ΙΕΚ Ευόσμου Θεσσαλονίκης)

10/2015 - 05/2017

WORK EXPERIENCE

Taxi Driver
Self-Employed

01/2019 - 08/2024   *Thessaloniki*

Achievements

- Honed valuable transferable skills throughout my years of experience, including:
- Problem-Solving and Critical Thinking (e.g. finding alternate routes during road closures).
- Adaptability and Stress Management (e.g. maintaining composure in high-pressure situations).
- Interpersonal Communication (e.g. actively listening to passenger needs).
- Time Management (e.g. optimizing routes for efficient travel).

TECHNICAL SKILLS

`HTML` `CSS` `JavaScript` `Sass` `Java`
`Node.js` `Express` `PostgreSQL` `Git`

PERSONAL PROJECTS

Full-Stack Recipe Manager Application
(06/2024 - 07/2024)

- Designed and developed a full-stack web application with robust error-handling, logging capabilities and pagination.
- Front-End Technologies: HTML/SCSS/Javascript
- Back-End Technologies: Node.js/Express/PostgreSQL
- Find out more about it in my github page: https://github.com/Styri/Recipe-Manager

My personal website (https://styri.github.io/Styri/)
(05/2024 - Present)

- Designed and developed a personal portfolio website using HTML, SCSS, Bootstrap and JavaScript.
- Continuously improving it to include new features and technologies as I learn them.
